From the Principal

The last day for Year 12 students, the Valedictory and the Year 12 examinations all make for a very busy time. It's always sad when the Year 12 students leave – we miss their leadership in the school. The Year 12 team is to be congratulated for an outstanding Valedictory led by Warren Eaton. The Head Prefects, Danny Clarkson and Jess O'Reilly presented commendable speeches to the proud graduates.

On the 11 / 11 / 11 at 11.00am 102,000 poppies will rain down over the back oval to remember those men and women who sacrificed their lives for Australia at war. You may have noticed the banner in Moseley Square and posters around Holdfast Bay Council area. All families were posted the information and are welcome to attend on the day. Channel 7, The Advertiser, and the Messenger newspaper will be covering this unique event.

There are many opportunities for students in Years 8, 9 and 10 during the remainder of Term 4. Year 10 students have always enjoyed Australian Business Week (5th - 9th December) and I highly recommend it. The Years 8 and 9 students have their Round Table Assessments (Friday 25th November) and we welcome the 2012 Year 8 students on Year 7 visits (1st, 2nd and 5th December). The Charities and Recognition Assembly (24th November) is always an uplifting event in the school calendar.

I wish to inform all parents of Years 8 and 9 students that Week 9 is a continuation of the teaching program. Lessons will continue as per the timetable in a shortened day structure concluding at 1pm each day.

We thank those parents who are supporting the school's philosophy and insisting their children wear the school uniform appropriately. It is always disappointing when some students are out of correct uniform, yet they especially wished to enrol at the school and agreed to abide by the school's Values and Codes. Children will always push the boundaries but I can assure parents that when your child tells you, "No one else wears that",

Olivia O'Neill with Jess O'Reilly, Female Head Prefect, at the Valedictory evening on 26th October.

or "Everyone else does this or that," it is not the case. You can be assured that what is written in the uniform section of the student diary and the uniform brochure is accurate and what's expected.

There is another matter of some urgency which must be addressed – lateness or punctuality. Arriving any time after 8.30am in the morning will make a student late for class. Lesson 1 starts at 8.40am – students are expected to be in class with materials at 8.40am. Teachers may keep students in at lunch time or after school to make up for lost time. We all know that home can be a hectic place in the morning, however, in the same way we are expected to arrive at work on time, students are expected to arrive at their workplace, school, on time.

In the interest of supporting parents, please note the date Monday 14th November, for the workshop on "Raising Boys and Girls in the Cyber Age – How Can We Help Keep Them Happy and Healthy?". This information evening will be held in the Brighton Performing Arts Centre, on the grounds of Brighton Secondary School, from 7.30pm – 9.00pm. Information concerning the evening has been posted to all Years 8-11 parents.

POSITION IN STATE GRAND FINAL 1st

AWARDS: concept, drama, performance skill, costuming, make up, soundtrack, lighting, set design and stage use.

We began 'MAX' with an image. In 1989 the Ceaucescu regime in Romania was overthrown. When journalists finally entered the country they found warehouses of orphans dehumanised by the state, living in endless rows of cots and all but abandoned. Then there were the rabbits that appear nightly at the edge of darkness on Grange Beach. Rabbits have been seen as messengers from another world and represent both good and bad luck. Our orphans made a nightly choice of whether their rabbits, the toy bunnies they kept in their cots, would transport them to a better place or leave them immersed in nightmares. The sheer power of the piece took the audience by surprise and brought glowing praise from the judges.

The student team under ex-student Lauren Cox – Naomi McAnna, Mark Oakley, Phoebe Fisher, Molly Warland, Lizzie Bastable and Jordan Bray- deserve enormous praise for the way they shaped this most difficult of ideas. The energy the cast brought to the performance had to be experienced to be believed and the set crew under Colin Griffin were simply professional. We would also like to thank Erin McAnna for choreographic ideas, Mrs Margie Blackwood for her 14th stint as make-up expert, Rachel Lawrance and Tilly Bray for help with make-up, Mrs Leslie Mole for making the costumes, Mr Nevin Childs for driving the truck and Mrs Therese Martin for helping on the day.

Now we wait for the national finals to be televised in November.

"...it was just professional..."

Jazz

Cabaret

A fabulous night was had by all at the Brighton Secondary School Jazz Cabaret on Friday 21st October at the Glenelg Football Club.

Volleyball

South Coast Tour

On Wednesday 28th – Friday 30th of September 50 boys and girls participated in the Special Interest Volleyball South Coast Tour. The purpose of the South Coast tour was to focus on group dynamics and teamwork, which was done by everyone being in a tribe of 8, 4 boys and 4 girls. They were Giggles, Faces, Pink Camo, Bolts, Monsters, Lips and Clouds.

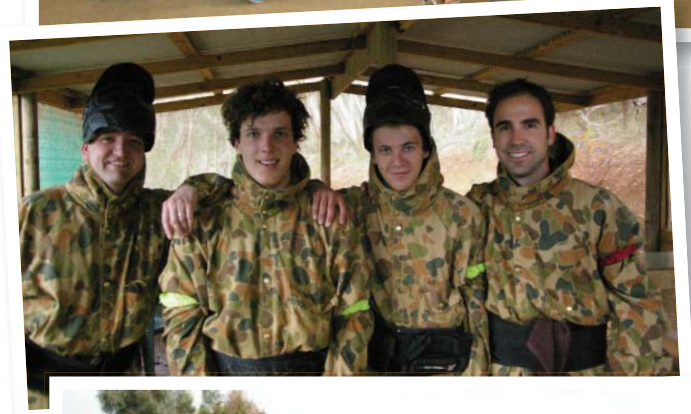

On Wednesday we played matches against 2 schools, Hallett Cove and Willunga High. Then we arrived at our accommodation, Encounters Conference Centre at Victor Harbor where we would stay and do tribal activities each night. On Wednesday night we had tea at the Grosvenor Hotel, which was very delicious.

On Thursday we had matches against Victor Harbor High School. After we had played our matches we changed into clothes for paintball and departed for Kuitpo Forest. This was almost everyone's favourite activity in the whole trip and everyone had a good time. For tea we went to Café Primo, which was tasty.

On our last day Friday, we packed the dorms and headed for The Dunes Mini Golf, which everyone enjoyed even though it was very windy. Once everyone had finished the 18 hole game of putt-putt we jumped on the bus and headed for Brighton Secondary School.

The winner of the Tribal activities was awarded a Pizza Lunch.

State Cup 2011

On 23rd – 25th September the SA Schools Cup was held at different venues around Adelaide.

This is the qualifying tournament for the Nationals Schools Cup held in Melbourne in December each year. Brighton had a very successful tournament with 30 teams participating in 16 Divisions against teams from all over South Australia.

At the end of the weekend we had won 5 Gold, 8 Silver and 10 Bronze medals. Of the 30 teams we had competing, 23 finished in the top three of their division. The Gold medal winning teams were U17 Honour Girls, U16 Honour Girls, U15 Honour Girls, U17 Div 1 Girls and U16 Div 2 Girls.

SPECIAL INTEREST VOLLEYBALL

Thank you!

The Special Interest Volleyball Parent Committee would like to thank Fitness First at Marion for donating the proceeds of their recent fundraising Quiz Night to our SIV program. Fitness First's Club General Manager Paul Adolphi has two children in the SIV Program. The very generous donation of \$500 was presented to Emma McEwen and Luke Sibbons, Special Interest Volleyball Captains, by Fitness First club representative Brock Bannister.

Languages News

CONGRATULATIONS

We wish Jordan Kent bon voyage for his 3 month linguistic exchange with Southern Cross Cultural Exchange to Rennes, France. We should also like to take this opportunity to thank his family for being host for several weeks to Bastien Pinot, a French exchange student from Le Mans in France. We are sure Jordan will return with plenty of news of France and the Sanchet homestay family and, of course, some excellent second language skills for 2012.

TEACHER EXCHANGE NOUMEA

We were fortunate recently to have a day's visit from Fatou, an English /French teacher from Noumea who was actually doing an exchange with Belinda Hawker, Chemistry/IT teacher at Hamilton Secondary School. It was such a pleasure to be able to exchange professional knowledge with Fatou. She spent the day working with French teachers and students in their classes and made very good use of the short time to enthuse, encourage, help and support students and teachers alike.

LANGUAGES COMPETENCE TESTING RESULTS

We should like to congratulate the following students on receiving such excellent results in the National and International Language testing. It is not easy to perform so creditably.

Year 10

Debating Team

Congratulations to the Year 10 Debating Team who recently competed in the SA Debating semi-final.

They argued against the topic that the recent London riots were a result of the welfare state. It was a very complex debate and, although they were narrowly defeated, they were complimented on their sophisticated argument and team line. Jade Bouchier won equal best speaker. Congratulations also to David Adcock and Kelsey Wagner.

Kids Join the Breakfast Club

Breakfast: The most important meal of the day.

In 2000 and 2006 Brighton Secondary School students participated in national studies of health, nutrition and education, with a focus on breakfast. The research outcomes are outlined in the excerpt below. We intend to continue supporting this research in 2012.

Peter Vowles
Coordinator Healthy Lifestyles.

“Kids Join the Breakfast Club”

Years of public campaigns to persuade children to eat breakfast are paying off, with the number of children consuming a morning meal rising in the past decade.

A national study by the University of Sydney has found primary and secondary school students are more likely to eat breakfast.

Thousands of school children from years 2 to 12 were surveyed in 2000 and 2006. A follow-up study is planned for next year.

Researchers found high school students in particular were now more likely to eat breakfast.

University of Sydney nutritionist Jennifer O’Dea credited public campaigns and school “breakfast clubs” for the improvement.

“It’s such a simple thing but it feeds the child’s brain, it improves their behaviour and reduces their risk of overweight and obesity,” she said.

The number of high school boys missing breakfast fell from 19.9 percent to 12.1 percent and the number of high school girls fell from 27.7 percent to 18.7 percent.

In primary school, the number of boys who did not eat breakfast fell from 9.4 percent to 6 percent, while the number of girls fell from 9.6 percent to 6 percent.

Dr O’Dea expects to see greater improvements when surveys are conducted again next year.

The nutritional quality of breakfast affects a child’s concentration and learning ability, Dr. O’Dea found in separate research in 2008.

Year 12 Drama

Grimm Tales

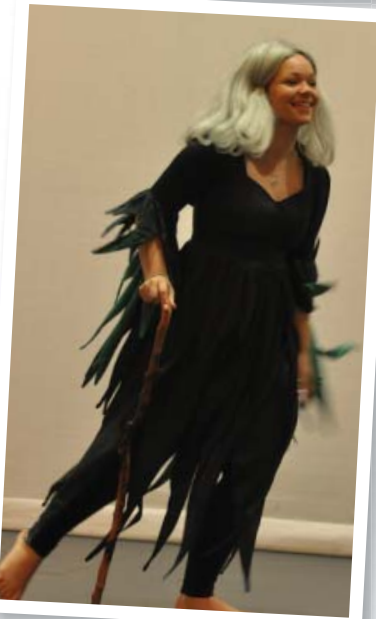

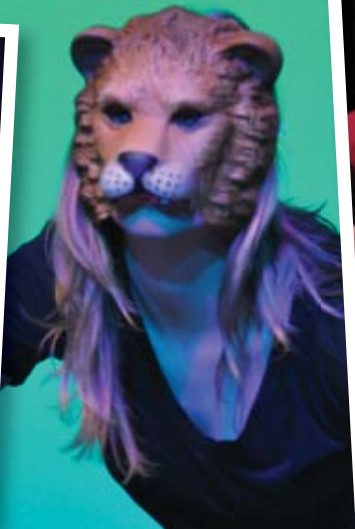

Toward the end of Term 3 our Year 12 Drama students presented their group production of Grimm Tales, written by Carol Ann Duffy and Tim Supple.

It is astonishing that the vast quantities of fairytales that we know and love actually originate from The Brothers Grimm collection. With the myriad of versions of the tales, this version of a selection of the tales is particularly close to the originals. Before the stories were toned down and 'Disneyed-up' for current generations many were quite macabre and gruesome. This version aimed to capture

the ghastly and often desperate actions of the characters. With the more comedic stories the farcical actions of the characters involve a belief in magic and a more optimistic and simple view of the world.

As an ensemble, we enjoyed the challenge of bringing to life these widely known stories of woe, misfortune, hope and love. Our performance evenings were well supported and we hope each audience member enjoyed our telling of the tales.

NATHAN ROBERTS

Nathan Roberts, ex- student from Brighton Secondary School first played international Volleyball when he represented Australia at 17years of age in Greece at the Under 18 World Beach Volleyball Championships.

Subsequently he commenced indoor volleyball at the Australian Institute of Sport in 2002 and played his first indoor Senior game for Australia in 2004. He has now played 235 games for Australia, having represented Australia in 2 world Championships and 3 Asian Championships.

At the recent Asian Championships in Iran, 16 Nations battled for honours with Australia finishing 4th. Nathan was awarded "Spiker of the Tournament" for his excellent attacking for the duration of the tournament.

SA Interschools Snowsports State Championships

In the July school holidays, Tom Hanlin, Kiarna O'Neil and Kailen O'Neil represented Brighton Secondary School at the SA Interschools Snowsports State Championships held at Mt. Buller, Victoria.

The conditions were perfect for racing with blue skies, a massive amount of snow and a line-up of over 200 competitors.

Tom and Kailen competed in the snowboard event and Kiarna raced in the alpine section.

Results:

Division 1, Male Giant Slalom Snowboard, Tom Hanlin, 5th

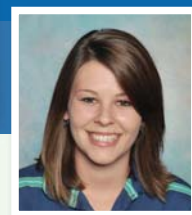

Division 1, Female Giant Slalom Alpine, Kiarna O'Neil, 2nd

Division 2, Male Giant Slalom Snowboard, Kailen O'Neil, 1st

SUCCESS FOR VET STUDENTS

Congratulations to the following Vocational Education and Training (VET) students who competed in the Trades Schools For The Future Awards in October.

Thomas Hanlin – “Dual Runner-up for School-Based Apprentice of the Year”.

Thomas commenced his School-Based Apprenticeship in November 2009. He is completing the Certificate II in Automotive Vehicle Servicing with Graham Cornes Motors. He does his training at TAFE SA. Thomas will continue his Apprenticeship full-time next year, at second-year level. Thomas will complete Year 12 this year.

Lydia Schofield – “Runner-up for VET Student of the Year”.

Lydia commenced her training in VET Hospitality in Ms. Marie Elley's class in Year 11 at Brighton. Lydia then went on to do the Certificate II in Hospitality – Kitchen Operations at SITE Academy. Lydia will complete Year 12 this year.

We would also like to acknowledge the achievement of Cara White who finished Year 12 in 2010. Cara was a School-Based Apprentice in Hairdressing at Daly Barber, whilst at school. Cara commenced her full-time Apprenticeship this year and was “Runner-up Apprentice of the Year”.

Whilst congratulating VET students, we would like to recognise Jayden Coso for his achievement for being awarded the “Vocational Education and Training Award” at the recent Year 12 Valedictory Presentation Evening. Jayden completed the Certificate II in Electronics with PEER VEET as part of his Year 12 program. He will commence a full-time Apprenticeship as soon as the examinations for Year 12 are finalised.

Congratulations to the above students. VET courses can give students a head start in their career as they can develop hands-on skills in areas of work and industry, while at the same time being able to complete their SACE. Enquiries about VET courses should be directed to Sandra Larsen, the Career Development Coordinator.

RAISING BOYS AND GIRLS IN THE CYBER AGE – HOW CAN WE HELP KEEP THEM HAPPY AND HEALTHY?

2011 is different from the world most parents grew up in. Our younger generation is facing completely new issues, thanks to the technological revolution. The cyber world has a huge influence on their lives and we need to understand that world.

Brighton Secondary School is hosting an event with speakers who will shed light on different aspects of that world.

SPEAKERS:

- Miss Jo Garrard, Year 12 student, Brighton Secondary School
- Dr Amy Slater, School of Psychology, Flinders University
- Mr Tony Mahar, School Counsellor, Brighton Secondary School
- Senior Constable Tamara Schwark, Sturt Police

This event will be held on:

In Ms. Mulhall's Year 12 Health class our final assessment is to produce and conduct a health promoting task. There have been several cases of breast cancer on Jake's mother's side of family including his own grandmother. "1 in 11 women will be diagnosed with breast cancer before the age of 75."¹ For these reasons we have decided to promote awareness concerning the issue of women's breast cancer.

We are hoping you can help us, and in turn possibly help yourself through:

- Registering and partaking in the [National Breast Cancer Health & Lifestyle Questionnaire](http://www.register4.org.au/Register4/Our_research/Health_and_lifestyle_questionnaires/Register4/Our_research/Health_Lifestyle_Questionnaires.aspx?hkey=1ed4c9b0-d9dc-4bf9-aa20-84fc523a8f47). To register click , a 5 minute online registry form will have to be filled out followed by the questionnaire of approximately 40 questions. Jake's mum completed this survey which took approximately 5 – 10 minutes.

- By doing the above, you will aid in the [National Breast Cancer Register4](#) aim of the registration of 1 million women
- Linking the [National Breast Cancer Foundation Register4](#) Facebook page (<http://www.facebook.com/pages/Register4/143058912378360>)

All the above is optional however support towards us, our task and the awareness of breast cancer would be much appreciated.

Thankyou for your time and help,
