Dear Parents/Caregivers

A recent Year 12 survey found that the issues that they cared the most about were understanding the ATAR, degrees and careers, study routine, time management, and emotional and physical wellbeing.

The links below are worth exploring to support students in their final year, which now has unfortunately become a little more stressful than normal.

The Brighton Careers website:

www.brightonssc Careers.com

The UNI and TAFE websites and we encourage you to subscribe to their newsletters and follow them on social media to get the latest updates:

www.flinders.edu.au

www.adelaide.edu.au

www.unisa.edu.au

www.tafesa.edu.au

This one covers interstate universities:

www.gooduniversitiesguide.com.au

The link to SATAC:

www.satac.edu.au/pages/resources-for-students

We will provide further information from the SACE Board as updates are released.

Thank you for your support in these rapidly changing times and feel free to contact us if there are any questions or if we can help in any way.

Kind regards

Maj-Lis Borgen-Smith (Year 12 Manager)
