

Middle School Student Devices 2025

**Brighton
Secondary
School**

DIGITAL DEVICES & LEARNING

Empowering our students to engage authentically in their learning requires access to and use of appropriate and relevant technology.

At Brighton Secondary School we are committed to developing digital citizens who can apply digital skills in flexible and dynamic ways. This includes being able to maximise technology and digital platforms to build their learning and to create new content for a range of purposes.

Year 7s will purchase a Windows device in 2025 through the school.

Purchasing through the school:

- Is cost effective, as you will benefit from SA Government buying power.
- Is easy, since we can offer a competitive price without you needing to shop around.
- Makes servicing and warranty claims easier, as we will manage them for you.

Middle School Student Devices 2025

Brighton
Secondary
School

The cost of the device to parents for Years 7 students is approx. \$1,315.00 (inc GST). Pricing and specifications are current as of August 2024.

Families will sign a 'Commitment to Pay' form prior to receiving the device at the beginning of 2025. Payment plan options will be available if required. Devices remain the property of Brighton Secondary School, until payments are made in full.
