Acknowledgement of Country

We would like to acknowledge that the land that we meet on today is the traditional land for Kurna people, and that we respect their spiritual relationships with their country.

We would like to acknowledge the Kurna people as the custodians of the lands and waters of the Adelaide region, on which we meet today.

Always was, always will be, Aboriginal land.

Competition Aims

Continue to build the reputation and success of the Brighton Special Interest Volleyball Program by playing an exciting brand of volleyball whilst conducting ourselves in a respectful and professional manner.

Showcase the hard work and dedication of our students and coaches by competing in high-level volleyball matches against the best schools in the country and overseas.

We want each one of our students to get the best out of themselves by the end of the week, whatever that may look like.

Continue to develop important life skills – by always showing respect, humility, and gratitude:

- During match and duty commitments
- BSS support staff
- Bus drivers
- Spectators
- General public

Be humble in victory and gracious in defeat.

What are we competing for?

Court Time & Competition Expectations

Honours Teams

- All Honours matches are a best of 5 set format.
- Focus on playing our best brand of volleyball possible for results for the Overall Champion School Trophy.
- Players will take on different roles/positions within the team, some of which may not result in the same amount of court time.
- Coaches can still manipulate rotations to ensure good spread of court time across the tournament

All players

- Whilst on the bench, all players are expected to be positive and supportive team members, ready to get on the court at any time and perform.
- If a player comes off the court with what is expected to be a significant injury, they will not be allowed back onto the court until they have seen the squad physio or equivalent first aid person.
- If a player comes off the court because they are emotionally overwhelmed, they will not be allowed back onto the court until they have deescalated and had a conversation with their coach and/or manager.

Divisional Teams

- All Divisional matches are a best of 5 set format to a 70-minute time limit.
- Coaches will endeavour to give all players relatively equal court time across the entire tournament.
- If playing in a medal match, coaches may use a rotation of players who are performing best at the time.

Match Safety

- Students should all be wearing knee pads to the preservation and longevity of healthy knees.
- We encourage students to consider ankle braces, particularly those who have a history of ankle injuries.
- Wear footwear that is appropriate and supportive for court sports.

Trip Agreement

On Court Student Expectations

- Contribute to the team goals by performing your role to the best of your ability.
- Be humble in victory and gracious in defeat.
- The order of personal priorities should be (1) The SIV Program (2) The Team (3) The Individual.

Off Court Expectations

- Follow the rules and instructions of all staff and support volunteers.
- Abide by the rules of the accommodation and all playing venues.
- There will be zero tolerance of any student found in another team's room.
- No purchase, possession, and/or use of e-cigarettes, cigarettes, alcohol, or other items deemed as inappropriate by school staff during the trip.

Possible Consequences:

- Loss of privileges on the trip.
- Loss of court time during competitions.
- The student is collected or sent home to Adelaide at **the parent/caregivers' expense.**
- The student is put on SIV probation for the following year.
- Any consequences as determined by the school's administration including suspension/exclusion from school.

Medical Forms and Treatment

- All medical forms must be completed and signed before your child can leave.
- Information should include **any prescription medication and dietary requirements.**
- We will keep all medical forms at the accommodation and if necessary, will be shared with medical facilities.
- In the event that a student requires medical attention, we will make contact with at least one family contact and keep them informed with updates.
- If a student needs to travel home via alternate transport options due to medical reasons, this **cost will be covered by the parents/caregivers.**
- Insurance **is not** covered by the school.
